

“...By this principle it shall be seen whose hearts are set on doing the will of God and keeping his commandments...”

(Teachings of Presidents of the Church: Joseph F. Smith [1998], 276)

How does the church spend your tithing?

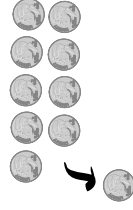

10% .10
one tenth
 $\frac{1}{10}$

What if you earned a dollar? How much is a tenth of a dollar?

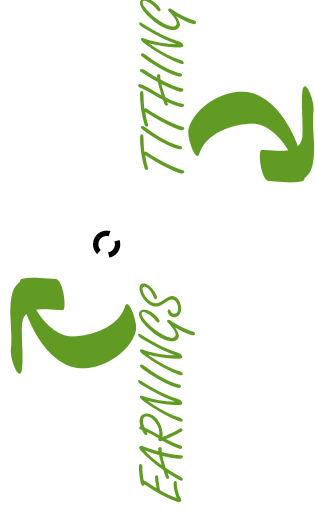

The answer is one dime!

A dollar is worth 10 dimes. So 1 tenth would be 1 dime!

MY TITHING BANK

I earned \$ this week.

I will pay in tithing!

What if someone gave you a pizza that was cut into 10 slices...

Then they asked for 1 slice back. Would you give it to them?

That's Tithing!

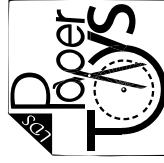

Heavenly Father is the source of everything. He only asks for a tenth back!

Want a secret tip to calculating your own tithing? Just move the decimal once to the left!

You Earned: \$5.20

\$5.20

Pay in Tithing: \$.52
